

VOLUNTEER SIGN-UP FORM

Our club relies on volunteers for our survival. In the past this workload has often fallen on the executive and a handful of loyal members. Having more volunteers will spread out the workload more evenly and fairly and enable us to keep our dues low. We expect all regular league curlers to contribute a minimum of **4 hours** of work per full season or **2 hours** if curling half season. A food donation equals 2 hours.

On Registration night, if you know already which time of the year you will be available, or which function in the coming season you want to help with, please advise a board member who will ensure the Volunteer Coordinator is provided with the following information. All curlers will be contacted at various times throughout the year until their hours are fulfilled. **Curlers not completing the minimum requirements may be invoiced at years end.**

A **Volunteer Opt Out Fee of \$80.00** if registered for a full season, **\$40.00** if registered for a half season, is available for all members who are unable to volunteer. *(Complete section on registration form)*
