

# Oliver Curling Centre

## The Oliver Curling Club

The Oliver Curling Club, located at 735 McKinney Road, has been operating independently for over fifty years. It is home to eight different leagues comprising over one hundred and fifty curlers who enjoy the game from early October thru late March and includes numerous bonspiel events. In the summer months it is home to Sun Fun, a kids activity program run by Oliver Parks and Recreation.

The Club has recently added a new addition to the Curling Centre which includes an elevator and handicap accessible washrooms. This makes our upper lounge accessible by all and open to use by the non-curling community which results in giving advertisers much more exposure throughout the year.

Support from our community has been instrumental in keeping the Oliver Curling Club a successful breakeven operation since it opened in 1970. We have a number of sponsorship and advertising options which can maximize a supporter's exposure to our membership and to the public each year.

### **Advertising Opportunities include:**

- Wall signs
- Scoreboard signs
- In ice logos – various sizes

### **Sponsorship Opportunities include:**

- Platinum sponsor
- Gold sponsor
- Silver sponsor
- Bronze sponsor
- Trophy sponsors
